LEGACY OF
SUCCESS

Alondra Factory, Paraguay - Design, art direction and manufacturing - Michael MacLeod

MMAD SOUTH AMERICA - U.S.A. - ASIA - EUROPE - MIDDLE EAST

I am Michael MacLeod Art Director. My company MMAD is set up to assist developers in the conceptualization, design and implementation of Hospitality and Entertainment venues. When a developer wants to separate his project from the norm, I am often invited to participate from the concept until the project completion.

MMAD's approach is holistic, in that we develop the concept with ownership and maintain the continuity of that concept throughout the entirety of the project. My background as an artist, designer, fabricator and curator put MMAD in a unique situation, able to address and resolve the intricacies of specialist construction.

M.J. MACLEOD - SEPTEMBRE - 18 - 2015

During 2015-2016 MMAD did the Art Direction for the MGM, Cotai, Mansions a very exclusive hotel comprised of villas, restaurants, lounges and private casinos for which MMAD developed the Moorish architectural finishes. MMAD designed the Moorish gardens for the Mansions and curated its art collection as well. In the past MMAD has done similar work for Kerzner International's Atlantis projects, both in Dubai and the Bahamas. MMAD recently designed the exterior facades and interior architectural finishes for the La Alondra in Asuncion, PY; an extremely unique boutique hotel.
